MONSTER

Shuwald confía plenamente en Johan, quien se ha transformado en su mano derecha, aparentemente con la intención de convertirse en el chico prodigo de la economía mundial alemana. Mientras, Shuwald le confía un asunto a Richard, un detective privado. Mientras investiga los misteriosos acontecimientos que han tenido lugar en torno a Schuwald, Richard siente que ocurre algo maligno y gigantesco en relación con los mismos. ¿Saldrá el plan de Johan a la luz?

DESDE QUE DESCUBRI SU INFIDELIDAD, MI MARIDO DEJO DE DIRIGIRME LA PALABRA POR COMPLETO

TODOS LOS DIAS SE DEDICABA A LAVAR EL COCHE, Y LUEGO SE PONIA A TRABAJAR EN EL JARDIN.

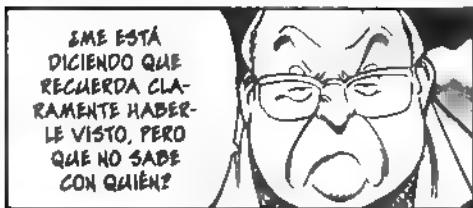

NI SIQUIERA ERA CAZPAZ DE MIRARME A LOS OSOS.

ESO ME LO APUNTÉ, Y YA SE LO DIJE A LA POLICÍA
